

Investing for Success

Under this agreement for 2019
Biggenden State School will receive

\$74,846*

This funding will be used to

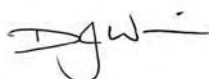

- Provide teaching staff with access to quality professional development aligned to the Australian Curriculum
- Provide staff with training and professional learning that promotes and aligns with our PBL framework
- Provide staff with training and professional learning that promotes Explicit Instruction as our signature pedagogy
- Upskill staff in the use of the Literacy continuum P-10.
- Build capacity of staff to authentically incorporate data informed practice.
- Provide training for staff in areas that support our diverse clientele.

Our initiatives include

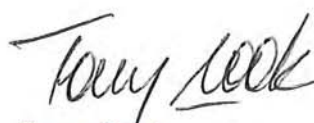

- Developing a systematic and consistent approach to the teaching and learning of reading utilising data informed best practice
- Strengthening the implementation of the Australian Curriculum including all key learning areas and ensure the enacted curriculum meets all mandatory requirements from Prep to Year 10
- Renewing the pedagogical framework to document and embed the agreed, consistent teaching practices of the school
- Building teacher capability utilising profiling and peer mentoring (agreed by staff) to ensure explicit instruction is used and best practice shared
- Development of a consistent approach to Behaviour utilising PBL as a framework

Our school will improve student outcomes by
